Northlake University Energy Portal — Login Customization (CustomLoginInfo)

DATE October 1, 2026
PREPARED BY Northlake University

Ready-to-transcribe values for the EEM Suite login customization screen. All values are taken verbatim from `eem-application-branding.pdf`. Synthetic / fictional.

Brand palette: deep navy `#1F3A5F` · warm gold `#C9A227` · slate gray `#5B6573` · white `#FFFFFF`. Typeface: Open Sans.

1 · Core fields

Field	Value to enter
`HeaderRightLogoUrl`	`/images/custom/northlake-header-logo.png`
`HeaderRightLogoTitle`	`Northlake University`
`HideHeader`	`false`
`HideFooter`	`false`
`LoginHeader` (kicker)	`Energy & Utility Management`
`LoginTitle`	`Northlake University`
`LoginTitleUnderline`	`Energy Portal`
`LoginDescription`	`Secure access to Northlake's campus energy, utility, and sustainability data.`
`LoginLaptopCaption`	`Manage Northlake's energy with EEM Suite`
`LoginCustomerLogoPath`	`/images/custom/LoginLogoRight.png`
`LoginCustomerLogoTitle`	`Northlake University Energy Portal`
`LoginHeaderColor` (kicker color)	`#C9A227`
`LoginHeaderFontColor`	`#FFFFFF`
`HeaderBackGroundColor`	`#1F3A5F`
`BackGroundColor`	`#F5F6F8`
`LoginFooterTitle`	`Need help?`
`EEMLinkURL`	`https://sustainability.northlake.example.edu`
`EEMLinkURLText`	`Northlake Sustainability`

2 · Feature bullets (`Bullets[]` — Title + Description)

#	Title	Description
1	`All your utilities, one portal`	`Electricity, gas, water, thermal, and solar across every property.`
2	`Cost & usage at a glance`	`Track spend and consumption by building, account, and meter.`
3	`Sustainability built in`	`ENERGY STAR scores and greenhouse-gas reporting from the same data.`
4	`Right access for every team`	`Facilities, Finance, Housing, and Sustainability each see what they need.`

3 · "Need help?" footer contacts (`LoginFooterContact1..3`)

Slot	Type	Pre	Value	Post
1	`email`	`Email`	`energy.support@northlake.example.edu`	—
2	`other` (phone)	`Call`	`(916) 555-0142`	`(Mon–Fri, 8am–5pm PT)`
3	`url`	`Status`	`https://status.northlake.example.edu`	—

4 · Partners (`Partners[]`)

None for launch. (Optional future: Helios Onsite Solar.)

5 · Image assets (upload to `images/custom/`)

Slot	File
Header (top-right) logo	`images/custom/northlake-header-logo.png` (200×48, transparent)
Login hero (right panel)	`images/custom/LoginLogoRight.png` (800×600)
Favicon	`images/custom/favicon-32.png` (32×32)
App icons	`images/custom/app-icon-192.png`, `images/custom/app-icon-512.png`
Web manifest	`images/custom/site.webmanifest` (theme `#1F3A5F`)

Notes for the admin

- **Header logo + navy header.** `HeaderBackGroundColor` is navy (`#1F3A5F`) with white header text (`LoginHeaderFontColor #FFFFFF`). The default `northlake-header-logo.png` is the **positive** (navy + gold) lockup, which is built to read on a **light** header. Because your header background is navy, set `HeaderRightLogoUrl` to the **reversed** file instead — `images/custom/northlake-header-logo-reversed.png` (white + gold, ships in the same folder). Keep the positive file on hand if you ever switch the header to a light background.
- **Title underline.** `LoginTitleUnderline` ("Energy Portal") renders as a second line under `LoginTitle` ("Northlake University") with a gold underline accent — see the mockup.
- **Retina hero / logos.** `northlake-email-logo@2x.png` (296×76) is provided for high-DPI mail clients; the login assets are already exported at sufficient resolution.
